**Bishop Seals Award**

The Bishop Seals Award is dedicated to honor tow of our past ADTSEA leaders of the Southeast. Richard Bishop and Thomas Seals; both nationally known Driver Educators who did extensive work in Traffic Safety at Florida State University in Tallahassee, Fl.

The award is presented by the Executive Board of the Southeast Region Association when a member of the association has retired but continues to be active in the association; serving as an inspiration and a dedicated leader; both to the Southeast Region Association and the American Driver Traffic Safety Education Association. The award was first presented in 1993 in Knoxville, Tennessee to J.B. Angelo Crowe and Dave Sahler. Since then it has been awarded to many distinguished recipients.

## Tom Love Award

The Thomas M. Love award is given to honor Tom Love, a leader and one of the founders of the Southeast Region of American Driver and Traffic Safety Association, of which he was a board member from 1970-1972.

Tom Love served as the first elected President of SERA for several years and also served for many years as its Executive Secretary. He was an active leader and member of the association until his death in 1990.

This award is presented each year by the Executive Board of the Association to a deserving member who has taken an active leadership role in Service to SERA- ADTSEA over the years.

# Drivers Ed Solutions

## The Most Innovative Scheduling Solution Available

“ Before using the services at Drivers Ed Solutions (DES), I had a myriad of experiences with other companies. Much of the stress which I experienced in the past is now nonexistent which has allowed me to focus on expanding my business. Unlike similar websites in this field, the DES website is extremely user-friendly and easy to navigate. I can only find positive things to say about DES. Without hesitation, I can give my highest recommendation. ”

*Dwight Gray, Lake Norman Driving Academy*

**Focused on top-notch data security, time-saving features, and excellent customer service for the last ten years.**

Allow your customers to sign up for drive times, get text message reminders, access to transcripts, and more. All aspects of the software are at your disposal to manage, schedule, communicate, process state forms, and run reports.

**For one low fee, you get it all.**

**No hidden costs here!** When choosing a company to handle your student data, make sure you know how many of their bells and whistles cost extra or are outsourced to third parties they have no control over.

**We like to keep it simple.** No hosting fee. No contracts. \$6.25 one time per student fee\* and you have all the features. Don't limit the features you need because of price. We partner with Shift4, the industry leader in payment security. Meet with us, and we'll share how our software can actually make you more money rather than cost you more money. You'll be impressed.

### Registration Link

Keep your current website and simply link to a customized registration page. Includes full access to the Driver Ed Solutions scheduling software and training for you and your staff. **\$600**

### Standard Package

Get a new website with frontend database integration showing class availability and giving you complete control over editing content, pricing, and more. Includes full access to the Driver Ed Solutions scheduling software and training for you and your staff. **\$750**

### Preferred Social Media Package

Includes everything in the Standard Package plus we help you set up Facebook and Google Business. We know what it takes to create great content to help you climb to the first page of Google. Time is definitely well spent working with the experienced team at Drivers Ed Solutions. **\$1,200**
